

Dear Potential Instructor,

The City of Lancaster's Parks, Recreation & Arts department is recruiting qualified contract instructors to provide affordable, varied and outstanding recreation opportunities to Antelope Valley residents. Contract instructors provide local residents with positive recreational experiences, teach others valuable new skills, and influence meaningful community involvement. We'd like to invite you to consider becoming a contract instructor for the Parks, Recreation & Arts Department. These classes can be taught at your place of business, or may be offered at any of the park community centers located throughout Lancaster.

The Parks, Recreation & Arts Department promotes our recreational classes in the City's award-winning quarterly *Outlook* brochure which is distributed to every resident and numerous businesses in Lancaster. Classes are additionally promoted on the City public access channel 24 hours a day, 7 days a week. Many courses are also offered for on-line registration.

The City registers all class participants on a first come, first serve basis. Each instructor helps determine his or her own class size and course fee. The City of Lancaster requires that instructors complete a class proposal, be able to demonstrate their craft, provide two references and a social security number, and complete a background check prior to teaching classes.

Compensation for instructors is divided as follows:

- Instructors teaching at their **own facilities receive 70%** of participant registration fees.
- Instructors teaching at a **city facilities receive 60%** of participant registration fees.

Since compensation is based on the number of students enrolled, it is in your best interest to assist the City in recruiting students for your class through approved advertising methods.

If you are interested in becoming a part of this fundamental program, complete the attached class proposal and return it to the City of Lancaster Parks, Recreation & Arts Department, 44933 Fern Ave., Lancaster, CA 93534 or fax (661) 723-5913. All class proposals will be reviewed on a quarterly basis. We will contact prospective instructors whose proposals satisfy community interests and department standards.
