PREAMBLE

We the people of the City of Lancaster, State of California, declare our intent to restore to our community the

government has the closest affinity to the people governed, and firm in the conviction that the economic and fiscal
independence of our local government will promote the health, safety and welfare of all the citizens of this City, we do
hereby exercise the express right granted by the Constitution of the State of California to enact and adopt this Charter
for the City of Lancaster.

CHARTER

Article I - Municipal Affairs

Section 100. Powers. The City shall have all powers possible for a City to have under the Constitution and
laws of the State of California as fully and completely as though they were specifically enumerated in this Charter.
Specifically, but not by way of limitation, the City shall have the power to make and enforce all laws and regulations with
respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter and in the
Constitution of the State of California. It shall also have the power to exercise any and all rights, powers and privileges
herebefore or hereafter established, granted, or prescribed by any law of the State, by this Charter, or by other lawful
authority, or which a municipal corporation might or could exercise under the Constitution of the State of California.
Without limiting in any manner the foregoing powers and authority, each of the powers, rights, and responsibilities
described in this Charter is hereby declared to be a municipal affair, the performance of which is unique to the benefit
and welfare of the citizens of the City of Lancaster. The enumeration in this Charter of any particular power, duty or

privileges herebefore or hereafter established, granted or prescribed by any law of the State of California or by any other
lawful authority. In the event of any conflict between the provisions of this Charter and the provisions of the general laws
of the State of California, the provisions of this Charter shall control.

all property rights and rights of action of every nature and description owned, had, possessed, controlled or enjoyed by it at the time this Charter takes effect, and hereby declared to be the successor of same. It shall be subject to all
debts, obligations and liabilities, which exist against the City at the time this Charter takes effect. All lawful ordinances,

superseded by proper authority.

Section 203. Compensation. Compensation for the Mayor and each Council Member may be set, and from time to time may be changed by ordinance, which ordinance shall be adopted by a four-fifths vote of the Mayor and City Council.
