WHAT IS THE LANCASTER CORPORATE CHALLENGE?

It is an Olympic style competition that promotes teambuilding, fun and fitness. The Lancaster Corporate Challenge (LCC) was launched by the City’s Wellness Committee as a way to create a community movement towards a healthy lifestyle – a factor known to help reduce health care costs.

The LCC is open to all Antelope Valley organizations (this includes businesses, schools, churches, etc.). Events are held in the evenings and on weekends. LCC provides an opportunity for groups to participate in unifying and morale building activities rooted in the spirit of friendly competition.
