Substitution of securities for any monies withheld by the City of Lancaster to ensure performance under this contract will be permitted in accordance with Section 22300 of the State of California Public Contract Code. The City of Lancaster does not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in employment or the provision of services.

This project shall comply with the requirement of SB 854. Attention is directed to the Revisions to Labor Code Section 4. 1725.5 and Section 5. 1771.1.

Bidders are advised that, as required by federal law, the State has established a statewide overall DBE goal. This City Federal-aid contract is considered to be part of the statewide overall DBE goal. The City is required to report to Caltrans on DBE participation for all Federal-aid contracts each year so that attainment efforts may be evaluated. To provide assistance in meeting the statewide goal, the City may include a DBE Availability Advisory in this contract. Bidders need to achieve the percentage stated in any DBE Availability Advisory as a condition of Award.

This project has a DBE contract goal of 19.0 percent.

Pursuant to California Labor Code Section 1771, the successful bidder will be required to pay not less than the general prevailing hourly wage rates, as determined by the Director of the Department of Industrial Relations, for all workers employed on public works. Copies of the prevailing rate of per diem wages are on file in our principal office and will be made available to any interested party upon request.

Bidders are advised that this project is Federally funded. Federal requirements, as detailed in the Specifications, will apply to this project and those requirements will be enforced.

The Specifications and this Notice shall be considered a part of any contract made pursuant thereto.
