

## DID YOU KNOW...

Civil rights laws protect all of us. We have the right to inherit, purchase, lease, sell, hold, or convey real property. As owners or their agents, you have the right to choose the most qualified prospective tenant.

However, considerations such as race, color, religion, gender, national origin, familial status, mental or physical disability, sexual orientation, marital status, ancestry, age, income source, or any other arbitrary basis cannot influence your rental decision.

To protect yourself and your investment, it is important to know and understand your fair housing rights and responsibilities. We offer comprehensive Property Management Trainings, in English and Spanish, that will give you practical and useful information on how to comply with the law.

***If so, you have probably violated the law!***

Property owners are responsible for their agents' actions. Both can be held legally liable for discriminatory practices. Ignorance of the law is not a defense!

Contact your local fair housing organization. With pro-active fair housing training and presentations, we can help you avoid liability. Our comprehensive fair housing sessions have been developed specifically for rental property managers.
